

THANK YOU AND GET READY FOR NEXT YEAR, 2020

The 2019 Whidbey Gardening Workshop was a sellout! We thank all of you, the more than 450 participants, who came to hear our Keynote Speaker, Dan Heims, to participate in over 45 educational classes, and to visit the public Garden Marketplace.

We are already planning the next workshop scheduled for March 14, 2020. Our Keynote Speaker will be Richie Steffen, Executive Director of the Elisabeth C. Miller Botanical Garden in Seattle and Chair of Great Plant Picks.

Our Garden Marketplace will be even more vibrant and we will have another great lineup of classes. Stay tuned and save the date for next year's Whidbey Gardening Workshop on March 14, 2020.

The website will reopen for 2020 in November, 2019. Until then, please feel free to look over the past 2019 Whidbey Gardening Workshop (at <http://whidbeygardeningworkshop.org/2019>) by clicking on the menu items on the left of the screen.
